Identical letters dated 15 October 2018 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I am writing to inform you of Lebanese violations of Security Council resolution 1701 (2006), breaches of Israeli sovereignty and repeated crossings of the Blue Line during the months of August and September 2018.

A comprehensive list of those violations is included in annexes I and II to the present letter.

As outlined in the present letter, as well as in previous letters that I have sent, Lebanese violations of resolution 1701 (2006) occur daily. Yet despite their visibility and frequency, the vast majority of those violations are consistently excluded from the reports of the Secretariat.

I trust that future reports of the Secretary-General on the implementation of resolution 1701 (2006) will reflect the ongoing violations and the demand that the Lebanese Government abide by its commitment under the resolution.

I should be grateful if you would have the present letter and its annexes distributed as a document of the Security Council.

(*Signed*) Danny **Danon**
Ambassador
